Case No. [20-cv-00322-SI](#)

**ORDER DENYING PETITIONER'S
SECOND INJUNCTIVE RELIEF
REQUEST**

Re: Dkt. No. 28

12
13 Petitioner, an inmate at the High Desert State Prison, has requested that the court issue an
14 injunction directing prison officials to move him to San Quentin State Prison's ad-seg unit pending
15 his release from prison under Proposition 57, urging that that facility is closer to his home town and
16 placement there will alleviate the errors in his criminal case. The request is DENIED. Docket No.
17 28. As the court explained in an order issued less than a month ago that denied petitioner's request
18 for an injunction directing prison officials to strike clauses on his burglary conviction and to release
19 him from prison, "[t]he motion is extremely premature. The timeliness of the petition must be
20 decided before the court reaches the merits of the petition. Only if the court determines the petition
21 is timely and is meritorious would the time arrive to determine the sort of relief to which petitioner
22 would be entitled." Docket No. 27. Petitioner may not file any more requests for injunctive relief
23 in this action.

IT IS SO ORDERED.
